

## ABOUT US

Sanifu Centre is a full service education institution that offers high quality foreign language courses, as well as, facilitating students, workers, and families seeking opportunities to study, live, or work abroad. Located right in the heart of the industrial town of Thika, Kenya, we specialise in teaching German as a foreign language. Other language courses on offer include English as a Foreign Language and English for Professional Development, Italian, French, Spanish and Mandarin. Hence, whether you want to learn a language for higher education, pursue a successful career or better your social skills, we shall help you get there.

At Sanifu Centre, we keep our learners engaged with clear, practical and communicative goals in every lesson. We give them a unique opportunity to explore language and culture. With multimedia-equipped classrooms, Internet rooms, free Internet access and Wi-Fi, as well as a central location, we provide everything you need for an exceptional learning experience in Kenya.

We promise to help you better understand how you learn most effectively. We shall teach you the skills and learning strategies you need to flourish inside and outside the classroom and reach your potential in today's fast-paced world.

Moreover, we'll go beyond your expectations and work with you to understand your aspirations: the actual reasons why you're devoted to mastering a language. Whether that is helping to write your CV, applying for a place in a tertiary institution, or even finding a job abroad - we're here to support you in a purposeful way.

## ARE YOU SEEKING STUDY OR CAREER OPTIONS ABROAD?

Did you know that as of 2021, 28 occupational fields, (e.g healthcare, science, engineering, building & construction, hospitality, au pair, technology etc.) in the European Union (E.U) were suffering from crippling labour shortages? (SOURCE: E.U COMMISSION).

Apart from language training, Sanifu Centre will help you explore these aforementioned opportunities and offer lifelong guidance to individuals of all ages, at all career stages. It includes career information, advice, counseling, assessment of skills and mentoring.

## STUDY

For anyone seeking study opportunities, Sanifu Centre provides comprehensive support in finding the right college/university, navigating the application process, and securing scholarship opportunities. We understand the importance of finding the right academic fit, and our team works tirelessly to ensure that students are well-informed.

## WORK

For clients seeking work opportunities, our team provides guidance on visa and residency requirements, job search strategies, and cultural integration to help our clients succeed in the European and/or Germany workplace. We also provide expert advice on employment and labour laws, tax requirements, and other legal matters.

## MIGRATE

At Sanifu Centre, we go the extra mile with our customer benefits by offering a range of services for families, including assistance with relocation, finding housing, setting up bank accounts, and other administrative tasks. We also provide expert guidance on cultural differences, education systems, amongst others.

**We speak your language!**

04

### EXPERT GUIDANCE

Learn from passionate tutors who will help unlock your potential through weekly whole class and individual progress tutorials, on demand, which address your specific needs

## OUR APPROACH TO LEARNING LANGUAGES

### CLEAR LEARNING TARGETS

Your lessons will include specific and well defined learning outcomes that provide you with a road-map for success. At the end of each week, you will have an opportunity to review and assess what you have accomplished and set new class goals for the following week.

### COMMUNICATIVE

Our lessons focus on language patterns and forms, and are also symbiotic. You will work with other learners and will be challenged to think and speak about causes and effects, categories, connections, priorities, et cetera, to produce extended, complex sentences.

### PERSONALISED FEEDBACK

Regular feedback is a really important part of your learning journey. Each week, our tutors share their views on your success and offer advice on how to rapidly improve through our system of tutorial support or Individual Learning Plan tailored to your needs.

### ASSESSMENT & GUIDED PROGRESS

Your performance is monitored and assessed by your tutors to ensure you stay on target with your learning through regular weekly progress tests that focus on your language knowledge and your skills.
